

Chelsea® 348 Series

One Speed Forward and Reverse
Mechanical PTO

Overview:

The Chelsea 348 Series PTO is another example of why Chelsea PTO technology is the best in the business. This economical workhorse features a cast iron housing and heavy duty ball bearing on the output shaft, giving it a high torque rating and long service life. Chelsea was the first to provide you with an Air shifted forward and reverse speed PTO. Its flexible Air shift design allows you to mount the air shift cylinder in the best position for maximum clearance. Torque rating up to 200 Lbs-ft [271 Nm] makes this one versatile PTO. Take advantage of over 65 years of Chelsea PTO technology to increase performance and lower costs.
